Great News from MHS Band Of Gold:

MHS Band of Gold participated in the Rattler Marching Contest on Oct 1st at Tolar. We received straight 2's which is the highest marching score in 16 years. The Colorguard received a 1 for their performance and the drum line a 2. The Colorguard was also awarded the best Colorguard for 2A

We are in the process of creating an organization through the Lion's Club called Leo's. We have discussed the idea of a Student Council organization which will team with Leo's and have also thrown around the idea of involving Habitat for Humanities. The planning stages are still in the works, however, we are excited of the possibilities these organizations can offer for students as well as for the community.
